

DOT COMPLIANCE CORNER PRICING

Package A

Mock DOT/KCC Audit:

This is the same audit a DOT or KCC Compliance Officer would perform on your company. This audit includes a full write up and estimate of fines that could be levied against your company if this were a real audit.

CSA 2010 Monthly Review:

Monthly monitoring of your CSA 2010 score, written notification of changes of your score and recommendations your company can take to help improve your score.

Unlimited Technical Support and Company Reminders:

Help with any and all DOT questions including inspection reports and monthly reminders such as when your company is due to run MVR's, have Annual Inspections performed, or updating your MCS-150.

This package also includes help with all paperwork that might be needed to file for KCC Authority, IFTA, IRP or other documents you may need.

MEMBER PRICE- \$1750.00/YEAR

NON MEMBER PRICE- \$2275.00/YEAR

Package B

CSA 2010 Monthly Review:

Monthly monitoring of your CSA 2010 score, written notification of changes of your score and recommendations your company can take to help improve your score.
